

CLIENT ACCOUNT AGREEMENT

TO: Sterne Agee Clearing, Inc. ("SAC"), Sterne, Agee & Leach, Inc. ("Sterne Agee") and its authorized agents.

In consideration of Sterne Agee carrying a securities account ("Securities Account"), on my behalf, I agree as follows:

1. **Meaning of Words in this Agreement.** The words "I," "me," "my," and "us," refer to the person(s) who signed this Agreement. The words "you" and "your" refer to Sterne Agee or its authorized agents. "My broker" refers to the broker dealer introducing my account to SAC.
2. **Authority and Ownership.** I have the requisite legal capacity, am authorized to enter into this Agreement and have obtained and will provide you with all necessary authorizations from third parties to open accounts and effect securities transactions under this agreement. I will be the owner of all securities purchased, held, and sold by me through you, or will otherwise have the authority to purchase, hold or sell such securities.
3. **Clearing Broker Agreement.** I understand that my broker dealer entered into an agreement with SAC, who entered into an agreement with Sterne Agee to execute and clear securities transactions presented to Sterne Agee for my Securities Account. I further understand and agree that Sterne Agee will carry and maintain my Securities Account (as defined by SEC Securities Investors Protection Act), under the terms of the fully disclosed clearing agreement, except as may otherwise be provided in this agreement. I further understand that my broker dealer is not an agent of, or supervised by Sterne Agee. I understand that Sterne Agee has no control relationship over my broker dealer and is not responsible for the suitability or appropriateness of investments made by me or the genuineness of any transaction made on my behalf by my broker dealer.
4. **Appointment of broker dealer as Agent.** I appoint my broker as my agent for the purpose of carrying out my directions with respect to the purchase, sale or liquidation of securities in accordance with the terms and conditions of this Agreement, and I assume all risks with respect to the purchase, sale or liquidation of securities. All transactions will be executed only on my order or on the order of my authorized delegate except as otherwise provided in paragraph 6 below. To carry out your duties, you are authorized to appoint and use sub-agents. You and your sub-agents are authorized to open and close brokerage accounts, maintain customer records, hold securities in bearer, registered or book entry form, place and withdraw orders, provide information to third parties, including your affiliates, and take such other steps as are reasonable in connection with your duties.
5. **Settlement.** I agree to have collected funds available in my Securities Account at Sterne Agee Account, or to deliver to you sufficient collected funds to cover the amounts due on purchases of securities by the settlement date for payment for all securities purchased by my Securities Account (including commissions and fees) and that you may refuse to execute an order, or may cancel an order, if such funds are not available. You may charge my cash account interest on any post settlement date debits. I agree to deliver all properly endorsed securities which I have in my possession in good form prior to settlement of the sell or liquidation order, and such securities must be received by Sterne Agee prior to the settlement date. Sale or liquidation proceeds shall be distributed to me by check, held in my securities account, or swept to my money market fund, if established.
6. **Indebtedness to SAL and Security Interest.** I authorize you to take any steps that you, in your sole discretion, determine to be necessary to complete or cancel a securities transaction or to minimize your losses, if any. I shall, at all times, be liable for the payment upon demand of any debit balance, and the interest thereon, or other obligations owing in my Securities Account or other account which I have with you. As security for the repayment of any and all present or future indebtedness owed to you by me under this agreement or otherwise, I grant you a continuing security interest and lien in, and a right of set-off with respect to all securities or other property that are, now or in the future, held, carried, or maintained for any purpose in or through my Securities Account to the extent of my interest, any present or future brokerage account with you in which I have an interest. I agree to reimburse you for all cost (including attorneys' fees), losses, or liabilities incurred by you in connection with the collection of any debit balance or unpaid deficiency in my Securities Account.
7. **Force Majeure.** You shall not be liable for loss or delay caused directly or indirectly by war, natural disasters, government restrictions, exchange or market rulings or other conditions beyond the control of Sterne Agee.
8. **Recording Conversations.** I understand and agree that, for your mutual protection, my broker and Sterne Agee may record any of our telephone conversations without further notice.
9. **Credit Investigation.** You may exchange credit information about me with others. You may request a credit report on me (1) if the purpose is to establish or maintain my margin and/or option account, (2) if I have chosen to settle transactions by check, (3) to comply with government agency or court orders, or (4) if, you determine it prudent for customary risk management procedures. If I ask, you will tell me the name and address of the consumer-reporting agency that furnished the report. You may request a new credit report at any time without notice to me.
10. **Relationship with other Broker Dealers.** From commissions and/or fees charged to my securities account for services rendered, I understand and agree that you may share, remit or otherwise pay broker-dealers for their services in handling transactions for my account. In addition, I also understand and agree that other broker-dealers, including Sterne Agee, may share, or otherwise remit commissions, fees and sales loads, including markups and markdowns on principal trades, to my broker in connection with transactions for my Securities Account. I understand and agree that brokers or dealers may refuse to accept or process any transactions that I may wish to effect.
11. **Margins Loans and Options.** *This paragraph is effective only when an account is maintained as a General Margin account as specified in Regulation T, as amended, issued by the Board of Governors of the Federal Reserve System.* (a) Securities purchased on margin or deposited against monies owed or borrowed may be maintained by Sterne Agee as collateral for my indebtedness. All property, now and hereafter held by Sterne Agee, or carried for the undersigned (either individually or jointly with others), or deposited to secure the same, may from time to time and without notice to me, be carried in Sterne Agee general loans and may be pledged, repledged and hypothecated, separately or in common with

any other property, for the sum due to Sterne Agee thereon or for a greater sum and without retaining in Sterne Agee possession or control for delivery a like amount of similar property. (b) The undersigned will at all times maintain margins for said accounts, as required by Sterne Agee from time to time. No arrangement conflicting with the firms usual requirements for margin shall be binding upon the firm or have any effect unless expressly agreed to in writing and signed for Sterne Agee by the CFO, Director of Clearing, or Compliance Officer. (c) Debit balances of the accounts of the undersigned shall be charged interest, in accordance with Sterne Agee usual custom, and with any increases in rates caused by market conditions and with such other charges as you may make to cover your facilities and extra services. The undersigned acknowledges having received from you a statement setting forth the details of the conditions under which interest will be charged, the method of computing such interest, and the conditions under which additional collateral may be required. (d) At any time and from time to time, in your discretion, you may without notice to the undersigned apply or transfer any or all monies and other property of the undersigned interchangeably between any accounts of the undersigned in order to avoid a margin call. (e) Until you receive written notice of revocation from the undersigned, you are hereby authorized to lend or hypothecate, to yourselves as brokers or to others, any securities held by Sterne Agee as collateral for the account of, or under the control of, the undersigned. I will not request that any transactions in options be effected for my account unless such request is in connection with my brokers options compliance program.

12. **Applicable Laws and Regulations.** All transactions shall be subject to rules, regulations, customs and usages of the exchange, market or clearing house where executed, and to all applicable federal and state laws and regulations. I will not buy, sell or liquidate any securities of a corporation of which I am an affiliate, or sell or liquidate any restricted securities, except in compliance with applicable laws and regulations and with notice, to you, that the securities are restricted.
13. **Fees and Charges.** I agree to the fees and charges indicated on my brokers fee schedule and that of Sterne Agee which I have received. I understand and agree that I will be charged an annual administration fee if I hold securities in my Securities Account and no trading activity occurs during any calendar year. You may debit my Securities Account for any fees or charges, which I incur, or any out-of-pocket expenses you may incur on my behalf, if applicable. I understand that you may change the fee schedule from time to time and I agree to be bound by such changed fee schedule.
14. **Certain Mutual Fund and UIT Transactions.** I understand and agree that sales loads or sales charges may be imposed in connection with purchases of shares or interests in mutual funds and unit investment trusts ("UITs") or other registered investment companies, that may be paid to my broker through SAC.
15. **Joint Accounts.** If this is a joint account, we understand and agree that you may follow the instructions of either of us without obtaining the consent of the other. Each of us will be fully liable for any amounts due you under this Agreement. Upon the death of either of us, you will treat the property in the account as belonging to the joint tenant with right of survivorship unless we have expressly elected to own the account as tenants in common or other registration, but you may first require the production of necessary legal documents. The liability regarding this account shall be joint and several.
16. **Amendments and Termination.** You may amend this Agreement at any time, in any respect, effective upon written notice to me. You may terminate any or all services contemplated hereunder at any time, effective upon written notice to me. I may close my Securities Account at any time by giving written notice to my broker or Sterne Agee. Closing my Securities Account or terminating services under this Agreement will not affect any rights and obligations incurred prior to such closure or termination.
17. **Notice of Changed Name, Address.** I agree to promptly notify you, or my broker dealer, in writing of any change to my name or address.
18. **Governing Laws.** This Agreement shall be governed by the laws of the State of Alabama.

DISCLOSURE STATEMENT OF CREDIT TERMS AND POLICIES

Effective May 1, 2002

The following Disclosure Statement of Credit Terms and Policies is required by the Securities and Exchange Commission and is part of your Client Agreement. Should you have any questions regarding this Disclosure Statement, please contact your Investment Consultant.

INTEREST CHARGE

Margin Transactions normally involve the extension of credit made by Sterne, Agee & Leach, Inc., (Sterne Agee) when you deposit only a portion of the moneys or the collateral required in a transaction. Withdrawals of cash from your account, or an increase in the market value of a security sold short (or short against the box) may create or add to your debit balance, for which interest and any other applicable charges will be assessed to your account.

Your account will be charged interest on any extension of credit to you by Sterne Agee in connection with the purchase, sale or carrying of any securities. The interest charge will be based on your adjusted debit balance multiplied by the daily margin interest rate. You will receive a statement of your account, at least quarterly, showing the adjusted daily debit balance, interest charges, and the applicable interest rates.

Interest will be charged to you if we approve prepayment of the proceeds from sales prior to settlement date. Interest may also be charged on debit balances in Cash accounts due to a late payment.

DAILY MARGIN INTEREST RATE

The "daily margin interest rate" is based on a 360-day year and is calculated by dividing the applicable margin interest rate by 360. The applicable margin interest rate is set at a percentage above Sterne Agee's Base Rate as shown in the following table.

If the amount of your average adjusted daily debit balance is:	The interest rate charged is:
Over 100,000	Base Rate + 0.50%
75,000-99,999	Base Rate + 1.00%
50,000-74,999	Base Rate + 1.25%
25,000-49,999	Base Rate + 1.50%
Under 25,000	Base Rate + 1.75%

Sterne Agee sets the Base Rate at its discretion with consideration to commercially recognized interest rates relating to the extension of credit, as well as general market conditions. The margin interest rate may be changed without notice to you to reflect changes in the Base Rate. If your interest rate is increased for any other reason, Sterne Agee will notify you in writing at least 30 days prior to the date of the increase. Please contact your Investment Consultant for the current Base Rate.

The term "adjusted daily debit balance," means the daily debit balance less applicable free credits, if any. The daily debit balance is the unpaid amount loaned to you as of the close of the business day. Debits and credits resulting from purchases and sales are posted to your account as of the settlement date. A credit balance in your Cash account will be applied as a reduction of a debit balance in your Margin and/or Short Account. Should you deposit a check or other item that is later returned unpaid, your account may be adjusted to reflect additional interest or other charges that apply.

INITIAL MARGIN AND ACCOUNT MAINTENANCE REQUIREMENTS

The Federal Reserve Board and various self-regulatory organizations determine margin loan rules and regulations. The maximum amount currently available to you is 50% of the value of marginable securities purchased or held in your account ("initial margin"). The maximum loan available for debt securities varies with the type of security. Your minimum account equity must be \$2,000.00, or other amount as may be required by applicable rules, regulations, or Sterne Agee house policies. Initial margin and margin maintenance requirements may change without notice. Equity securities with a market value of less than \$5.00 per share are not marginable.

A margin call (notification to deposit additional collateral) may be issued if your account equity drops below the margin maintenance requirement. Normally, additional collateral will be required if your account equity declines below 30% depending upon such factors as Sterne Agee, in its sole discretion, may deem material, including but not limited to the type, price, quantities and marketability of securities, or combination thereof, held in your account. If the market value of a security falls below \$3.00 per share, the security will not be assigned a value as collateral to secure your margin obligations.

SHORT OPTION POSITIONS

Uncovered option contracts are subject to both initial margin and margin maintenance requirements. These positions involve higher levels of risk and more stringent requirements may be imposed. Please contact your Investment Consultant for details.

SHORT SALE TRANSACTIONS

Any credit resulting from a short (including a short sale against the box) will not reduce your debit balance on which interest is charged because the securities sold short must be borrowed to make delivery to the purchaser and an amount equal to the proceeds of the short sale must be deposited with the lender. You are liable for all dividends and interest paid on securities borrowed for the purpose of short sales.

The value of securities held short in your account will be "marked to the market" daily. Any resulting increase or decrease in the market value will be included in your adjusted daily debit balance. Sterne Agee may at its discretion, for any reason and without notice, immediately cover any short security position by purchasing securities for your account.

LIENS AND LIQUIDATIONS

All monies or securities held by Sterne Agee at any time in any of your accounts (individual, joint or otherwise) for any purposes shall be collateral subject to a general lien and security interest for the discharge of all your obligations to Sterne Agee.

Sterne Agee may also demand repayment of any loan balance in whole, or in part, at any time and for any reason. Additionally, Sterne Agee may require you to deposit additional collateral as security for your obligations.

SIPC PROTECTION

Assets held in your Sterne, Agee & Leach, Inc. account for investment purposes are protected by combined SIPC and excess SIPC insurance coverage up to \$25,000,000. SIPC protects your account for \$500,000. Excess SIPC insurance covers all accounts for an additional \$24,500,000. Claims of cash are limited to \$100,000. Money Market fund shares are securities, not cash, and are protected up to the full \$25,000,000 limit. For details please see www.sipc.org.

SIPC protection covers more than one account in which you have an interest provided you are acting in different capacities for each account. (For instance, coverage would apply if you had an individual account and a joint account with your spouse.) SIPC does not protect against a decline in market value of securities in your brokerage account.

Sterne Agee may elect to pay interest on credit balances awaiting reinvestment at a rate determined by Sterne Agee and reserves the right to eliminate or otherwise change the rate or manner in which interest on credit balances is paid at any time without prior notice to you.
